IMPORTANT REMINDER RECYCLING DUMPSTER

April 2026

Please remember that the designated recycling dumpster is for recyclable materials only. Regular trash can NOT be disposed of in the recycling dumpster.

Placing non-recyclable items can contaminate the entire load and prevent proper recycling. Let's all do our part by using the correct dumpsters for trash and recycling.

Our leasing office will remain open during regular business hours on Good Friday.

*On behalf of Great Eastern Management Company, We wish you a very **Happy Easter!** May this season of renewal bring joy, happiness, and special moments with family and friends. We're grateful to have you!*

SPRING CLEANING TIPS

To help keep your laundry running efficiently and your machines in great condition, please keep these tips in mind: avoid overloading the washer, load laundry evenly to maintain balance, clean the dryer lint catcher after each use, and wipe down the washer door while leaving it open to allow it to air dry properly.

PET ETIQUETTE

While walking your dog around the community, please keep your pet on a leash at all times and be sure to pick up after them.

VEHICLES REMINDER

This is a friendly reminder that all vehicles on the property must be registered with the leasing office. Vehicles must comply with **state regulations** and be kept in **operable condition** at all times. Proper registration and maintenance help ensure the safety, organization, and smooth operation of our community for all residents.
